

Amendments to the Claims

Claims 1-8 (canceled)

Claim 9 (original): A seat back for a chair comprising:

- a support panel to contact a seated person;
- a back panel opposite the support panel forming an envelope; and
- a flap portion formed by the support panel and the back panel, the flap portion extending from a top of the support panel and the back panel and folding over the top and toward a back panel, the flap portion having a transparent window affixed thereto to receive and display indicia.

Claim 10 (new): A seat back for a chair comprising:

- a support panel to contact a seated person;
- a back panel opposite the support panel forming an envelope; and
- a flap portion formed by the support panel and the back panel, the flap portion extending from a top of the support panel and the back panel and folding over the top and toward a back panel, the flap portion capable of displaying indicia.
